Representatives to the 2010 Council on Legislation left Chicago having enacted a number of monumental measures that will make e-clubs a permanent part of Rotary International, create a fifth Avenue of Service for New Generations, increase the annual per capita dues that clubs pay to RI by US\$1, and give Rotarians in North America a choice of how they receive *The Rotarian* .

Representatives approved a \$1 increase in annual per capita dues starting in 2011-12 that will allow RI's budget to remain profitable through 2013, but experience a deficit of about \$3 million by 2015.

Rotary clubs will pay per capita dues to RI of \$51 per year in 2011-12, \$52 per year in 2012-13, and \$53 per year in 2013-14. Per capita dues were already set at \$50 for 2010-11.
