Brandy Mychals- Owner of Split Second Perceptions

Brandy talked about the importance of first impressions. She was tired of selling and wanted to attract the right clients.

Contrary to popular belief; only 7% of our judgment of others comes from words. While 55% comes from appearance and 38% comes from presentation. Also, it is important to know your ideal client and what their needs are. She listed the different character codes and discussed how

to identify each one.

Using character codes can help you spot who you can easily and effectively communicate with and build your strategic alliance. She has upcoming workshops she offered to anyone interested in attending.

Last year, malaria claimed the lives of almost 750,000 people in sub-Saharan Africa, 85 percent of them young children. Some of the region's poorest residents live in Yirimadjo, Mali, and are receiving protection from the disease through a [Rotary Foundation Global Grant](#) project supported by Rotarians in four countries.

**The Four Way Test**

Of the things we think, say or do:  
1. Is it the TRUTH?  
2. Is it FAIR to all concerned?  
3. Will it build GOODWILL and BETTER FRIENDSHIPS?  
4. Will it be BENEFICIAL to all concerned?
